'53

PRESENTED BY THE MISSION STAFF

RIPON UNION HIGH SCHOOL

FOREWORD

*Education is a gate to lands of pleasure;
Education is a key to wisdom's treasure;
Education is a path that upward leads;
Education is a friend we'll always need.*

It's a rough road that leads to the heights of greatness, but the instruction and training we are receiving through our activities and sports, as well as our classes, are smoothing that road for us.

It is with this thought that we, the Mission staff of 1953, have chosen education as our theme. We present it in hope that it will recreate in future years, the happy days spent at Ripon High School.

DEDICATION

We wish to express our sincere appreciation to the advisors of the class of 1953, who have worked co-operatively with untiring efforts in our behalf.

So to you, Mrs. Gartman and Mr. Kingery, who have given yourselves in service to youth, we dedicate our yearbook. We will fondly treasure memories of you—our friends, teachers, and advisors.

You learn something new every day, whether it's merely learning to work and play together, to think, to develop skills, to gain self-expression, or to develop qualities of leadership and sportsmanship.

The varied activities offered to students at Ripon High School play an important role in teaching you these things, and in educating you to become good citizens. Congratulations, Mission Staff, Mr. Sourquin, Mission Advisor, and Co-editors, Ivonne Demichelis and Joan Vieira, on your well-chosen theme, education. The manner in which you have completed this project is outstanding.

STUDENT GOVERNMENT

DON TOOMBS

MR. E. POLETTI

Student Government is not a panacea for the ills of any educational system; nor is it a guarantee of excellence of administration. Yet, if the personnel involved is capable and serious in the desire to achieve that excellence, it is not only possible but probable that it will succeed.

Ernest G. Poletti

STUDENT GOVERNMENT SPONSOR

CABINET

I to R Stanley Love, Chief Justice, Madeline Vicira, Defense Attorney, Lenna Phillips, Secretary of Notifications, Sharon Mulholland, Prosecuting Attorney, Louise Vander Laan, Secretary of Entertainment, Gaynl Stouffer, Secretary of Rallies, Elsie Franscelli, Secretary of State, Records, and Publicity, Don Toombs, Student Body President, Paul Barkley, Chief of Police, Susan Vander Laan, Vice President, Standing, Mr. Poletti, Student Government Sponsor.

TO THE CABINET

As student body president of Ripon Union High School for 1952-53 I would like to extend to my cabinet my utmost appreciation. Because there have been no real complaints, and also because of the results of their efforts, it seems ostensible that they have fulfilled their respective offices with great conscientiousness. I can earnestly and sincerely say that it is really going to be difficult for next year's cabinet to attempt to fill the shoes of such competent officers. I would also like to express my appreciation to Mr. Poletti, for I feel that as an advisor he is surpassed by none.

So, at this point I would like to say to my advisor and to my cabinet, thanks a lot.

Don Toombs
Student Body President

1. The first step in the process of identifying a problem is to define the problem. This involves identifying the symptoms of the problem and determining the scope of the problem. Once the problem has been defined, the next step is to identify the causes of the problem. This involves identifying the factors that are contributing to the problem and determining the underlying causes. Once the causes have been identified, the next step is to develop a plan to address the problem. This involves identifying the actions that need to be taken to address the problem and determining the resources that will be needed to implement the plan. Finally, the last step in the process is to implement the plan and monitor the results. This involves putting the plan into action and tracking the progress of the plan to ensure that the problem is being addressed effectively.

FRESHMAN CLASS

The onset of the Freshman Class at Ripon High began in the usual manner of locating classrooms, forgetting locker combinations, and getting acquainted with the school, teachers, and students.

The Sophomore Class welcomed us with the annual Freshman-Sophomore Brawl, a get acquainted party which was loads of fun. The sweets sale which we undertook received the co-operation of the entire class. The money earned from this was used for a skating party.

We, the Freshman Class, take this opportunity to thank our advisors Mrs. Hattman and Mr. Ortiz, for their assistance in making our first year in high school such a success.

SOPHOMORE CLASS

Our Sophomore year has been one of continual progress under the leadership of Dave Eckhoff, our president, and Miss Perry and Mr. De Selle, our advisors. (How could we have managed without the helpful suggestions of Bobby Richards in our class meetings?)

Our first activity of the year was the Freshman Sophomore Brawl. Like most school parties everyone enjoyed games, wink-um, with the stentorian voice qualities of Frank Franzia directing them, and refreshments, plus our initiation of the Freshmen.

Since we had spent some money, more was needed. Under projects to better our financial standing, throughout the course of the year, we sponsored a cake sale, the dance after the Hughson basketball game, a Box Social and Dance (social and square), a booth at the Carnival, the first swimming party of the year, and other projects.

The class really united in spirit by supporting David Zellmer, our "B" football HE MAN, and Elaine Bianchi, our class secretary (for the first semester), for our King and Queen representatives for the Junior class-sponsors King and Queen Dance. We were second only to the Seniors both with our fiat and in our votes in cents, not senses, in our support of our representatives.

All in all, we had a good year.

JUNIOR CLASS

Living up to the usual traditions, the Juniors spent a busy year raising money for their treasury. This project included selling candy, candied apples, and hot dogs at games giving a cake raffle, and sponsoring the King and Queen dance. The annual Junior-Senior prom was held in the Fable Room of the Hotel Covell in Modesto on Friday night, May 22.

The Class of '54 had a wonderful year as Juniors with Paul Fredericksen and Elaine Demicheus as first and second semester presidents and Mrs. Schut and Mr. Bourquin, the advisors, who devoted so much time and effort in helping to make these activities a success.

A black and white photograph of a group of nine people, likely a family, standing in a room. There are four men and five women, dressed in formal attire typical of the early 20th century. They are arranged in two rows, with some standing and some possibly seated or kneeling in the back. The image is somewhat faded and has a grainy texture.

SENIORS "OUR STORY"

*Oh we are, we are the Class of '53
The best, the very best that there will ever be
So come on girls and boys let's all shout and sing with glee
For we're proud, we're proud to be the Class of '53*

Classes come and classes go, but the Class of '53 is one that will always be remembered as a class which broke tradition. Initiation into Ripon High came with the Freshman-Sophomore Brawl at which we were threatened into wearing clothes inside-out and backwards. During our Sophomore year we gave a Halloween costume party for the incoming Freshmen.

Our year as Juniors occupied us with making money, a task for which other classes referred to us as "the money-mad Juniors." However, the results of the wonderful prom, which for the first time was held in Stockton at the Officers' Club, was well worth the time and money put into it. As Juniors, we sponsored the first King and Queen Dance, and sold food at the Ripon debate tournaments. We initiated the practice of having school dances at the Rifle Range instead of using the study hall.

The Class of '53 won the pep award for the parade preceding the Escalon game for two years in succession. As our gift to the school we pooled our funds with those of the Class of '52 to purchase a tape recorder.

The year to which we had all been looking forward for so long finally arrived, and as Seniors, we enjoyed both a Senior breakfast and the usual banquet in Stockton. We had fun every moment on Ditch Day at Yosemite Park. We will always cherish the experiences we have shared during our years at Ripon High, our fine faculty, and our Principal, Mr. Stouffer, who put up with the roaming Seniors he consistently found in the corridors. We especially express our gratitude to Mr. Kingery, our Scotch advisor, who economized for us with only our interests at heart, and Mrs. Gartman, the English teacher who caught us biting sunflower seeds so many times when we were supposed to be reading Macbeth.

The memoirs buried under the plaque of '53 shall live on in our hearts as we go on, determined to find a path or make one.

SPECIAL THANKS

We wish to express our special thanks to the business firms and friends who have placed ads in the 1953 edition of THE MISSION. It is through this advertising that such a sizeable project was made possible.

Our sincere appreciation goes to Mr. Bourquin, our advisor, who took the pictures for this book and spent hours of his own personal time in the darkroom developing them. His work of advising the staff and of bringing back in picture form the happenings of this year was a difficult task, and we thank him for his untiring efforts in our behalf.

We also extend our gratitude to Miss Perry, who helped with the art work, and to Mrs. Gartman, who proofread the copy.

Photographs, snaps, dummies, copy sheets, ads, deadlines, subscription campaigns, finances—it's a lot of work, but now it's done! We hope you like it.
